

CompliFi⁺ *eLearning Hub*

Team CompliFi: Abel, Irene, Kalyan, Kierra

Explore. Educate. Empower.

CompliFi provides user friendly, up-to-date online resource of medical coding policies for medical professionals. We integrate management and tracking of your certification in the member profile so you will meet the healthcare compliance standard.

Search Courses

SEARCH

Become a member of CompliFi! Our experts deliver actionable answers in all major specialties of interventional radiology, cardiology, vascular/endovascular surgery, cardiothoracic surgery, and diagnostic radiology coding.

Online Courses

The training sessions include coding guidelines, procedure techniques, modifier use, documentation requirements, and bundling issues. The exercises and actual radiology reports provide you hands-on learning experience.

Webinars

Experts in each specialty deliver a comprehensive talk about a specific coding topics and case examples.
